I have hundreds of thousands of plants of different varieties and can fill all your orders promptly, with large, heavy rooted plants, which are positively true to name. **My Reliability.** Write The First National Bank of Central Square, N. Y., or any person in Central Square or Hastings. Please enclose stamp for reply.

**Substitute.** Positively, in no case will we send other than what you order if you tell us not to do so.

**Money** must be advanced for postage in parcel post shipments. Strawberry plants weigh per 100 about 3 lbs. Bush berry plants 1 lb. per dozen. Ask your postmaster what the rates are from where you live to Hastings and you can figure out the postage money to send.
